

ACADEMIC INTEGRITY EDUCATION PROGRAM 1 INSTRUCTIONS

Academic Integrity is a fundamental value for the Eastern Kentucky University community of students, faculty, and staff. It should be clearly understood that academic dishonesty and incidents of academic dishonesty will have serious consequences. This is an educational sanction developed by the Office of Student Rights and Responsibilities and Academic Integrity. The program is designed to facilitate student awareness of basic research skills, services, and resources on campus to contribute to the student's academic success; as well as the judicial sanctions for students who violate University regulations concerning Academic Integrity.

PROGRAM INFORMATION:

The program will take approximately a minimum of 60 minutes to complete. There are seven separate parts that must be taken in order before taking the test. First, watch the five educational videos, complete the assessment for each video, review the Academic Integrity Violations and Sanctions PowerPoint and complete the assessment, then review ECU resources and complete the assessment, and finally complete the Academic Integrity test 1. You must make a 100% to pass. Once your score has been verified by our office (as a passing score) your sanction is complete. **Failure to complete this sanction will result in an administrative hold being placed on your record.**
